

ABSTRACT: PSXGRAPH DIRECTORY

11/18/96

This directory contains the GRAPHIC ARTIST conversion tools. The graphic artist tools such as the Materials Editor are available under a separate product. Please contact your regional tools coordinator for additional information.

For installation instructions please refer to the technical note on installation, [cdrom]:\docs\technote\install.(doc/pdf)

The programs/utilities marked "NEW!" are new releases since the last release. This is the second release where we are releasing the DOS sound conversion utilities. At this time it is being released under the PSXGRAPH tree to be consistent across each region.

BIN

```
