

This directory contains programs and files related to the CD Generation process. The CD Generator Software is a separate product from the programmer tools and may be obtained by contacting your regional tools coordinator. Refer to the "readme's" in the respective directories for more installation instructions.

- Territory license file (Japan, US and Europe) - LcnsFile
- Master disk check program - Mcheck
- Master disk check program for Windows 95 - MCheck95

This information, as well as all other information on this CD, is duplicated and is searchable on the companion Technical Reference CD. Open the file "catalog.pdf" on the Technical Reference CD for more details.

For a quick HTML introduction to the contents of this CD, click on "readme.htm" in the root directory of the Programmer Tools CD. Your Web browser should be HTML 3.0 compliant (able to process tables).
